October's Athlete of the Month

Hanover: Piper Lorah - Flurries

How has Piper improved this season?

Piper has improved this season in many ways. She has evolved into a true leader, who leads by example. She also works hard outside of team practices to gain new skills!

What makes her stand out on Flurries?

Piper has an incredible work ethic and an infectious positive attitude! She is super dependable and does not ever complain, no matter where the coaches place her. She loves the sport of cheerleading and her team so much, and it shows!

What does Piper contribute to her team?

Piper contributes passion and a love for the sport to her team. She is a strong leader and the team looks up to her. In addition to Piper's positive attitude, she tries her best each and every practice!

What advice can you give Piper for the competition season?

Always stay true to yourself and remain a leader! Keep letting your light shine and keep working hard! Hard work always pays off, especially when paired with passion. Lastly, never doubt yourself!

Sterling: Elana Shapero - Radar

How has Elana improved this season?

Not only did Elana move up this season from level 2 to level 3, but she has also transitioned from a flyer to a base! She has stepped up to both challenges and continues to impress us every practice.

What makes her stand out on Radar?

Elana tries her hardest 100% of the time. There is never a doubt in our mind that she isn't giving something her all. When she isn't sure about something, she asks so that she makes sure she is doing the right thing, and always asks for feedback on how she can be better. There is nothing more that a coach can ask for!

What would her teammates say about her?

Elana's teammates would say that she is a team player! She is always at practice, does her job, never complains, and has a positive attitude. They can always count on her!

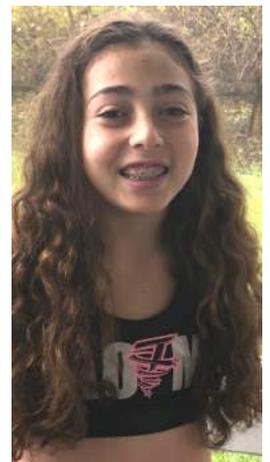

What can we expect to see from Elana this season?

On the competition floor you will see Elana's beautiful tumbling as our last pass, and a smile on her face from the start of the routine until the end. She has already learned so much as a base and will only continue to improve! We are very proud of her!

Her stunting is improving every practice and we are enjoying watching her develop into a confident flyer who makes her presences in the air known. Joselyn is spunky, hardworking and determined. ~ Coach Sammi

Jazmyn Majors - F5

This month Jazmyn has caught the eye of the coaches. She is a young, hardworking, first-year athlete that is new to Twisters and F5. What has made her stand out so recently? Jazmyn has been putting in work behind the scenes that is just beginning to pay off. First, she started as an alternate on the F5 roster. For the past two months, she worked on her skills and earned a position on F5 and is no longer an alternate. Next, her tumbling skills have improved. She started with a rough Arabian to double. That pass is now clean and perfected. Jazmyn has also learned a whip double that she can be performed in both the standing and running sections. Finally, her flying has improved. She has filled in on many different groups on the team. Her flying is consistent with all the groups. The best part of her growth as an athlete is that she is no longer shy or quiet. Jazmyn can now talk to her coaches and laugh and smile with her teammates. Her hard work has shown that she has the #F5ordie mentality and has claimed her spot on F5. Congrats Jazmyn for being F5's athlete of the month!

~ Coach Will

Kate Ericson - Haze

"Kate is the definition of an Allstar cheerleader. Her dedication and commitment to this team is inspiring, she never misses practice and is always happy to come work hard. She is always positive and willing to try anything we ask of her. She is always pushing herself to do better whether it's in her jumps, stunts, facials or tumbling. She comes to open gym to continue improving her skills. She's always encouraging her teammates when they are tired or frustrated. She gives us facials without us reminding her and she gives her best in everything that she does. We couldn't ask for a better athlete, cheerleader, and individual."

~ Coach Shelby

Emma Koteff - Storm

"Emma comes to every practice with a positive attitude no matter what! Her bubbly personality always seems to be just what the team needs when practice gets tough. Emma always does what she is asked without hesitation. Coach Shonte and I can always count on her to step up and do whatever we need her to do. If one of her teammates is having a bad day, Emma is always there to cheer them up and put a smile on their face. Emma is a joy to coach and we are so glad to have her on Storm!"
